Serial No.

From

The Secretary to the Hon'ble the Resident

F.61-40/15 dated 5th April 1941

re Procedure for Notifying a factory under the National Service (Technical Personnel) ordinance.

When the question of enacting legislation in Mysore on the lines of the National Service (Technical Personnel Ordinance, 1940 of British India was under consideration, the Residency stated that if this Government wanted to gazette any factory in Mysore as a "notified factory", the prior consent of the Crown Representative would be necessary.

They now intimate the particulars that should be specified in any application for this purpose.

A "notified factory" is one engaged in the production of munitions or war supplies or in work likely to assist the prosecution of war.

It was then decided that as a similar Act was not going to be passed in Mysore, the question of notified factories did not require consideration.

If approved, the present reference will also be filed.

Procedure for the notification of factories under the National Service (Technical Personnel) Ordinance, 1940.

SIR,

I am directed to refer to letter from this Residency No.F.61-40/W, dated the 17th August 1940, and to say that factories applying for notification should state in their applications the nature and extent of the work of national importance on which they are engaged and the number and categories of technical personnel as also the total number of persons employed by them.

I have the honour to be,
Sir,
Your most obedient servant,

for SECRETARY TO THE RESIDENT.
